

# BASEBALL CAMP 2023

**JUNE 12TH - JUNE 16TH 9AM - 12PM**

Our goal is to help our future players learn the proper techniques & skills needed to play the game at a high school level while forming great relationships with their peers.

Our campers will have the opportunity to be coached by members of the Dublin High School coaching staff & players in our program (current players & alumni who are playing in college).

The success of our program has always come from having a great work ethic and playing the game the right way. We look forward to sharing all this and more with your child!
